

TRUE CHRISTIAN VOLUNTEERS

Helping Hands

Volunteer Request

Dear Friends and Community Partners,

True Christian Volunteers (TCV) invites you to help plan and host **Stockton Together Christmas Carol Night**, a celebration bringing neighbors together through music, fellowship, family activities, and an optional gift exchange.

We are planning the event for **Saturday, December 19, 2026**, at **Stockton Memorial Civic Auditorium**. We are reaching out now to build our volunteer team and help organize the celebration. **The venue booking and start time are not yet confirmed.**

We welcome help with planning, setup and decorations, welcoming guests and ushering, gift exchange coordination, refreshments, choir and performer coordination, and cleanup. Individuals, churches, families, and community groups are invited to express interest.

Participation is open to people of all faiths and backgrounds. Bringing a gift is not required to attend, and joining the gift exchange is entirely optional.

To volunteer, email **truechristianvolunteers@gmail.com** or call **(209) 361-7024**. Please share your name, preferred contact, the role or skills you can offer, and your availability for planning and event day. TCV will follow up to discuss roles and provide confirmed arrangements.

Thank you for sharing your time and helping us create a welcoming Christmas gathering for Stockton.

With appreciation,

Lucky Akpovwa

Founder, True Christian Volunteers
